## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### STUDENTS LEARN HERE

At Woodbridge Elementary, we create a safe and encouraging environment with the purpose of inspiring lifelong learners. We believe all students can learn and be successful. As a neighborhood school, we put children first. We are focused on the academic, social, and emotional needs of each student. Woodbridge Elementary is currently the oldest school (founded in 1935) in the Roseville School District and is deeply rooted with strong traditions. Woodbridge's staff combines these traditions and embraces effective research based learning strategies to help our students reach their personal best every day.

### WOODBIDGE, A TK-5 ELEMENTARY SCHOOL

At Woodbridge, we teach TK through 5th grade. Woodbridge school previously served kindergarten through third grade students. Woodbridge smoothly transitioned from a K-3 environment, adding fourth grade, fifth grade and Transitional Kindergarten. By 2015-16, Woodbridge was a complete elementary school, serving TK-5 students. This transition has allowed students to remain at their neighborhood school and keep families together at one site, rather than send students to another site for fourth and/or fifth grade. The additional resource of TK helps provide a stronger foundation in students' developmental years and prepares students for academic success.

### A POSITIVE SCHOOL ATMOSPHERE

Woodbridge implemented PBIS--Positive Behavior intervention System in the 2015 school year. We believe that positive student behavior and strong student engagement creates lifelong learners. PBIS is a three-year implementation plan that includes staff and parents. The first three years, for the most part, was implementation, and during the fourth year, we strengthened Tiers 1 & 2, and made progress in Tier 3 strategies. Woodbridge has spent time strengthening Tier 2 strategies, and in 2019-20 entered into Tier 3 training and to bridge with our District-wide MTSS program. Woodbridge was recognized in

## 2023-24 School Description and Mission Statement

the 2023 for earning a PBIS platinum medal status. The four school expectations our students and families follow with PBIS implementation are: 1) Be safe. 2) Be respectful. 3) Be responsible and 4) Be a problem solver. Positive reinforcement aligns with these expectations.

### COMMUNITY PARTNERS

Woodbridge continues to be successful in cultivating strong partnerships with community members. We work closely with Woodcreek High School National Honors Society, City of Roseville, our Roseville business community, West Park Club and our local churches. These extra community volunteers provide much needed additional support to our students. We welcome parent, grandparent, and guardian involvement at our school, and encourage you to become a part of our Parent Teacher Club (PTC) and our ELAC. PTC and ELAC both play important roles in reaching and engaging our families in their child's education. We also have a strong School Site Council. Families are encouraged to support their children with independent reading at home.

### EDUCATIONAL PROGRAMS and TECHNOLOGY

AVID is a driving force behind our classrooms. AVID strategies are used in classrooms TK - 5 to support students and prepare them for the future. Woodbridge reached a "certified AVID" level school-wide. Every teacher is committed to using AVID learning strategies in classrooms. Students engage with technology- learning different software programs, word processing and researching subjects.

### AFTER SCHOOL PROGRAMS

Woodbridge offers several opportunities to extend student learning. Woodbridge is also fortunate to be a recipient for the After School Safety and Education (ASES) and Adventure Club grant. This program operates each day that school is in session from the time the school day starts until 6:00 PM. A memorandum of understanding was established with the City of Roseville Parks and Recreation department to staff and administer this program.

Woodbridge staff meets student needs at all levels. Through our partnerships, PBIS, AVID, and school spirit activities, we motivate one another to learn, work and celebrate success!

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	15.20	82.08	517.10	93.46	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 14, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

<b>Year and month in which the data were collected</b>	August 2023

## School Facility Conditions and Planned Improvements

### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

### Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

### School Facility Repair Status:

#### Overall Summary of School Facilities Repair Status – Exemplary

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

### Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008- 2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**  
 (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**  
 The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	29	24	60	57	47	46
<b>Mathematics</b> (grades 3-8 and 11)	22	21	50	49	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Woodbridge appreciates the parents who volunteer and lead events for our students. Our parents are active in all areas of volunteer service. Our Parent Teacher Club (PTC), English Language Advisory Committee (ELAC), and School Site Council (SSC) provide leadership in maintaining an effective school program. The Woodbridge PTC organizes family events for students and families to participate in. Currently, Woodbridge hosts the Roseville Joint High School Adult ELD class, where parents are granted an opportunity to learn to speak, read, and write English.

Our English Language Advisory Committee (ELAC) meets at least 3 times throughout the school year to become better informed about our educational program and services. ELAC plans and coordinates events for the school, and makes recommendations for site plan purposes to School Site Council.

## 2023-24 School Safety Plan

Evacuation (fire drills), lockdown, secure and hold drills are practiced on a regular basis at Woodbridge. Staff is kept up-to-date on safety practices, and the plan is reviewed each year by SSC (School Site Council) and ELAC (English Language Advisory Committee). The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. The Woodbridge Safety Plan has been developed with staff and parent input. The plan is reviewed with staff and approved by the school site council yearly. Safety Committee meets annually in the Fall to review our safety practices/protocols and the plan was approved January 18, 2024 by the SSC. At the end of the year, we share a survey with our parents for further input and improvement.

Woodbridge works with its community partners on campus to inform them of lockdown and emergency procedures to keep communication open and ensure students are safe at all times and at all locations.

## Fiscal Year 2022-23 Types of Services Funded

Woodbridge's budget reflects the needs of its students. Through community involvement with community partners, a School Plan for Student Achievement is implemented. Staff and School Site Council members were included in drafting the School Plan for Student Achievement. Collectively, funding is spent on: academic support programs, additional behavior support, and professional development.

The district funds a School Counselor, MTSS TOSA, and Intervention Teacher at Woodbridge Elementary School. These extra positions allow the availability for additional services, which help promote the social, academic and emotional learning and safety for all Woodbridge students. The District also supports reduced class size in TK, 4th grade and 5th grade at Woodbridge School. In addition, the district funds a Community/Parent Liaison that works closely with staff, students, and parents to help ensure productive engagement of families and success of students at Woodbridge School.

## Professional Development

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. District organized training is provided to administrators and staff that align with this plan during the four professional development days. In addition, the school sites are provided three additional professional development days throughout the school to focus on school site goals.

Other areas of professional development at Woodbridge include: Response to Intervention (RTI), Advancement Via Individual Determination (AVID), Project Guided Language Acquisition Design (GLAD), English Language Development (ELD) strategies, and Positive Behavioral Intervention and Support (PBIS) strategies throughout the school year. These professional learning activities are planned and delivered by site lead teachers and/or district leaders or off site workshops via Placer County Office of Education (PCOE) and/or Sacramento County Office of Education (SCOE). Teachers at Woodbridge continue to ensure that prevention and intervention strategies are provided in a timely manner and to students who need them, and have created a clear process for a) determining which students are experiencing difficulties, b) selecting intervention strategies or supports and matching these supports to students, and c) evaluating whether the intervention strategies are helpful to students. This process is continuously being evaluated and modified via site teacher leaders.

Woodbridge makes the most use of training time during staff meetings, which are held twice a month. PLC time is used to analyze data, review RTI and student assessment, and discuss curriculum strategies. Teachers are supported in implementation with follow up and mentoring from on site lead teachers.

This table displays the number of school days dedicated to staff development and continuous improvement.
